

VESSEL DETAILS

WEOTT II is truly one of our most versatile vessels, boasting a double-floor interior that can be tailored to your event's specific needs. The main floor will be tastefully decorated with seasonal flowers and can comfortably accommodate a seated dinner setup. Alternatively, we offer the flexibility to transform the space into a more relaxed and informal arrangement by removing tables and adjusting chairs. The vessel's large windows frame captivating views of London's iconic skyline, ensuring your private cruise along the Thames provides breathtaking vistas throughout your event.

Stepping onto the outdoor deck, WEOTT II offers an expansive space that spans the entire roof of the vessel. Here, guests can unwind in comfortable chairs as they soak in the sights during your private cruise along the Thames, making it an ideal setting for a reception drink followed by a summer BBQ. We further enhance the outdoor areas with inviting lounge setups, tasteful decorative elements, and can even provide summer garden games. As the sun sets, we illuminate the outdoor deck with enchanting fairy lights that trace the edges, adding a touch of magic to the outdoor space.

With its adaptable indoor and outdoor spaces, WEOTT II stands out as the perfect venue for your event, regardless of the occasion.
