

VESSEL DETAILS

WEOTT IV, a spacious and versatile vessel, can comfortably accommodate up to 60 people for events during the summer season.

The ground floor, adorned with seasonal flowers and other decorative items, features a separate dining and entertainment area, offering your guests greater flexibility in how they spend their time. The entire interior can be easily rearranged with flexible seating and tables to suit the needs of your event, seamlessly connecting the indoor area with the expansive outdoor deck.

The outdoor deck is a standout feature of this vessel, spacious enough to accommodate your entire guest capacity. It's thoughtfully decorated and includes lounge areas with comfortable seating, providing an inviting space for guests to relax, mingle, and enjoy the breathtaking views during your private cruise. This outdoor area also serves as an excellent setting for summer events, with the added option of on-deck barbecues prepared by our experienced team.

WEOTT IV is a versatile choice for a wide range of corporate events. Our dedicated event team can tailor the interior with branding, decor, and furniture to perfectly align with your event's theme. Whatever your function, this vessel offers an ideal setting to meet your needs.
