

VESSEL DETAILS

The WEOTT VI, capable of hosting up to 200 guests, is a stunning replica of an 1890s stern-wheeled paddle steamer. Its versatile layout and beautiful interiors across two floors, along with an outdoor deck that spans the entire perimeter of the vessel, make it one of the most sought-after venues on the River Thames.

The saloon features wooden paneling, sumptuous carpets, and expansive windows that offer unparalleled views of London's impressive skyline. We enhance it with seasonal flowers and various decorative items, and our team can personalise the boat to meet your specific requirements.

The spacious upper deck provides a refreshing area for guests to mingle, host speeches, or dance beneath the stars, thanks to its retractable roof.

WEOTT VI is a versatile vessel that serves as the perfect space for events on the Thames throughout the year. Whether it's daytime or evening, summer or winter, this vessel is an excellent choice for your event.
