FAMOUS CITY.

VESSEL DETAILS

A fantastic vessel suitable for a wide range of events, the spacious indoor ground floor of this vessel features 12 comfortable six-person booths, a bar, and an entertainment area. This open-plan space can be decorated according to the requirements of your event, including additional decor and branding.

Thanks to its temperature-controlled indoor floors, the WEOTT I is an ideal choice for events throughout the autumn and winter months. The large windows provide impressive and, in our opinion, unrivalled views of the city. It's a fantastic way to experience London.

The WEOTT I also boasts one of the most expansive decks on the Thames, making it the perfect place to enjoy the stunning setting. We will adorn this area with fairy lights and lanterns, and furnish it with outdoor chairs and cosy blankets, ensuring your comfort even in chilly weather. Should the weather take a turn for the worse, the vessel offers a covered outdoor shelter attached to the top deck for those who wish to remain in the open air.

The stage is set for your function, offering an ideal venue for a relaxed dinner event, a staff social, or an award ceremony as the sun sets over the water.

CATERING

Events held with West End on the Thames are notable not only for their breathtaking scenery and unique experiences but also for the customer service that continues to define this brand. Included in that is our expertise in catering; a menu is an indispensable part of a successful function and must be delivered expertly. Our menus are as exciting as they are mouth-watering, ranging from delicious canapés to extravagant three-course meals.

Our event team will work closely with you before the excursion to plan in detail the bespoke menu that you wish to present before your guests. Individual needs and desires can be accommodated, and we also give the option to theme your menu around the time of year and seasonal periods.

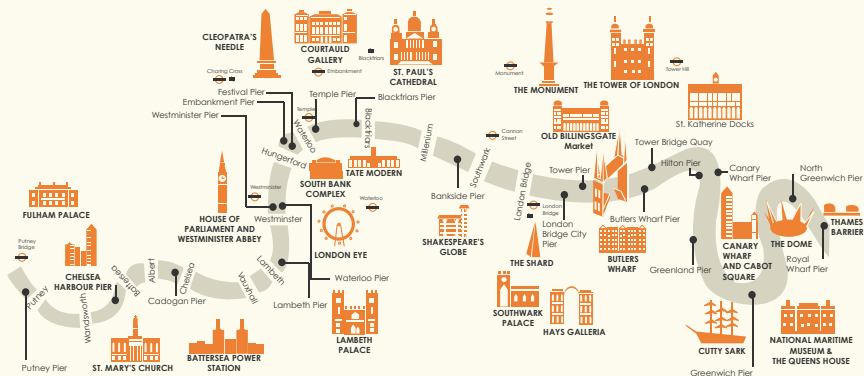

Whether you wish to serve a more casual dining experience or a three-course seated dinner, you can guarantee that every dish we create has been sourced responsibly and from quality ingredients. This attention to detail and willingness to provide a unique service is what makes an experience aboard one of our vessels so special, including the dining.

RIVER MAP

London's riverscape is home to many of the most iconic landmarks in the capital. West End on the Thames events provide a unique opportunity to have a fantastic function with a backdrop of London's famous architecture. The setting is truly spectacular, and the map to your right shows some of the major sights that you can see along the way.
