

VESSEL DETAILS

If you're seeking a unique venue for your pre-wedding party or wedding anniversary, then look no further than the WEOTT I. The large ground floor of this vessel includes 12 comfortable six-person booths, a bar, and an entertainment area. This open-plan space will be adorned with seasonal flowers that can be further customised to your personal requirements, all of which can be discussed with your assigned event planner.

The WEOTT I also boasts one of the most spacious outdoor decks on the Thames, which will be outfitted by our team with lounge chairs and other decorative items. This separate outdoor space is the ideal location to appreciate your marvellous and romantic setting. It can also be used to host a barbecue if your event falls within the warmer months or as a reception area to serve your guests canapés as they board.

Inside, the temperature-controlled floors mean the WEOTT I can host functions all year round, and with its large windows, it offers unparalleled views across the river.

The stage is set for your event.
