

VESSEL DETAILS

WEOTT IV, a spacious and versatile vessel, is perfectly suited for events throughout both daytime and evening during the autumn and winter period, comfortably accommodating up to 50 people.

The heated ground floor, tastefully adorned with seasonal flowers and other decorative elements, offers a separate dining and entertainment area, granting your guests the flexibility to enjoy their time on board as they prefer. The entire interior is highly adaptable, featuring flexible seating and tables that can be easily reconfigured to meet the specific requirements of your event.

The expansive outdoor deck is thoughtfully decorated and includes inviting lounge areas with comfortable seating, creating an ideal setting for relaxation, mingling, and soaking in the picturesque views during your private cruise. During the autumn and winter months, we provide blankets and umbrellas to ensure your guests can comfortably step outside and revel in the sights, regardless of the weather conditions.

WEOTT IV is a versatile choice for a wide range of corporate events. Our dedicated event team can tailor the interior with branding, decor, and furniture to align seamlessly with the theme of your event. Regardless of the nature of your function, this vessel offers an ideal and accommodating setting to meet your specific needs.
