

VESSEL DETAILS

Modelled after a 19th-century paddle steamer, WEOTT V offers a truly unique way to experience the Thames this Christmas.

As the largest vessel of its kind on the Thames, it provides a visually stunning and highly versatile space that can comfortably accommodate up to 500 guests. The grand staircase and faithfully reproduced furnishings set a spectacular scene, rivalled only by panoramic views of the city's skyline.

Guests can explore the expansive interiors spread over two floors, tastefully adorned in our Christmas 2025 theme, while taking in historic sights through the large windows. They'll also be treated to the unforgettable experience of witnessing Tower Bridge open above them to allow WEOTT V to sail through.

The outdoor space features sheltered areas, ensuring that the full features of this superb vessel can be enjoyed year-round. We provide cosy blankets and umbrellas so that, regardless of the weather, you can step outside in the open air and soak in the sights.

Whether you're planning an end-of-year awards ceremony, staff dinner, or a chance for your team to unwind after a busy year, if you're in search of a unique venue for your Christmas event, look no further.
