

VESSEL DETAILS

Travel the Thames in elegance aboard the WEOTT VII.

Originally built in 1985, her most recent extensive refurbishment saw the addition of a new skylight, copper-topped bar, TV screens, a premium sound system, and new carpets, further enhancing the guest experience.

WEOTT VII serves as a luxurious venue for smaller events, accommodating groups of up to 90 people. Daytime or evening, winter or summer, this vessel is the perfect option for your next event. With indoor heated floors, large panoramic windows, and an outdoor rooftop deck spanning the entire length of the vessel, it offers extreme versatility and is highly popular with our corporate clientele.

This versatile vessel can travel to a significant number of piers on the tidal Thames, providing a wide range of embarkation and disembarkation locations, as well as offering various route options for your charter.

From bespoke decorative items to a wide range of catering and entertainment options, we can truly personalize an event on this vessel to fit your specific requirements.
